

andromeda

# **andromeda**

prototype designed and built by Circa Cars

## **AN ADVENTURE OF THE MIND**

Some say that if Salvador Dali had designed a car it would look like this.

Others say that it was 3D printed from a message intercepted from outer space.

All we know is that Andromeda will put a smile on your face and reignite your passion for life.

**Andromeda prototype  
has been designed and built  
in the Scottish Borders by  
Circa Cars, East of Eden, Kelso  
TD5 7QD.**
